INFORMATION DISCLOSURE STATEMENT

Dear Sir:

In accordance with the statutory provisions set forth in 37 CFR §1.97 and 1.98, the Examiner is hereby respectfully advised of the references listed on the attached PTO-1449 Form. All of these references were made of record during prosecution of the parent application from which this continuation claims priority.

It is the Applicant's opinion that the claims presently on file patentably distinguish the present invention from the listed references. More specifically, the listed references are cited only in the interest of candor and without any admission that they constitute statutory prior art, or contain matter which anticipates the invention or which would render the same obvious, either singly or in combination, to a person of ordinary skill in the art.

In the event a first Office Action on the merits has been mailed in the above identified application prior to the Certificate of Mailing date set forth above, the Commissioner is hereby authorized to charge the fee due under 37 C.F.R. 1.17(p) to Applicant(s) attorney's Deposit Account No. 14-0790.

Respectfully submitted,
